BENSC Communication/Response Plan Preparedness

The following people should be contacted via phone/email in the event of a disaster or emergency that directly impacts the Club:

Terry Landes II, BENSC President

Ami Baas, BENSC Vice President

Leah Kinworthy, BENSC Administrator

1. After the President/VP/Administrator have discussed the issue, the Administrator will communicate with the Board via email and/or group messaging with details on when and where to meet to discuss/review an action plan. The Board will review insurance coverage and responsibilities of the Club based on the issue(s).
2. The President, on behalf of the Club, will make decisions in the best interest of the Club when decisions are needed in an urgent manner. If time permits, the Executive Board and/or the full Board will be contacted with the information needed to make decisions and will do so in the best interest of the Club.
3. To help with message integrity, only the President, Vice President, or Administrator should, if requested, represent the Club in media requests including print, television, radio, and social media.
4. The President will contact 911 for any matters needing an emergency response; if unable or unavailable, the responsibility falls to the Vice President.
